## Elective Choices

Elective options we offer are listed in the table below.

- See the Elective Descriptions and Requirements document for a description of each option.
- Students choose 5 elective choices they are interested in taking.
- Elective scheduling depends on academic performance. Students may have 0 or 1 elective course(s).
- If students qualify for elective an course, they are scheduled based on their 5 choices and availability in their schedule around academic course requirements (students are not guaranteed their first choice and changes are not made if they receive one of their five choices).

\*\*Means courses can be taken each year as an elective. Courses without this symbol can only be taken once as an elective.

Do not select an elective choice that you have selected as your major...the class would be the same as the major.
