

2017-2018 Polk County Public TITLE I Schools

Davenport School of the Arts School Compact for Learning

District and School-based Title I Parent and Family Engagement Programs in Polk County Public Schools will strive to **BUILD RELATIONSHIPS** in order to create real family engagement for every child, every family, every teacher, every day.

This compact outlines how the parents/family, the entire school staff, and the students will share the responsibility for improved student academic achievement. By linking learning, the school and parents will build and develop a partnership that will help our students achieve the state's high standards for the school year.

We will support learning in the following ways;	Staff Responsibilities	Parent/Family Responsibilities	Student Responsibilities
Curriculum-High Academics	Highly qualified teachers will use research based, effective teaching strategies as well as relevant Math and Reading instructional materials to ensure student achievement.	Make sure homework is completed each day and that your child reads at least 20 minutes at home each day, gets plenty of rest, and comes to school daily.	Come to school ready to learn, do your best at all times, ask questions if you need to, complete your homework, and read at home every day.
Monitoring Student Progress	Teachers will monitor student progress through daily work, mini assessments, formative assessments, and District and State provided evaluations. Interims will be sent home every four weeks and report cards every nine weeks.	Review your child's graded classwork, monitor your child's progress on Parent Portal, and review interim and quarterly reports. Share questions or concerns with your child's teacher using the agenda or during a scheduled conference.	Make sure that your parent or guardian sees all of the information which is sent home each week, especially graded work and reports.
Partnership - Be Involved	Invite families to be a part of decisions made about the school (this Compact, the School Improvement Plan, Title 1 expenditures, etc.) and their child. Meetings are at flexible times and by appointment.	Become an approved volunteer, join PTO or SAC. Use the agenda to communicate with your child's teacher or call for an appointment at (863)420-2557.	Make sure your parent or guardian knows about Family Activities and sees the fliers about all school events.
Communication - Stay Informed	Provide families with information about all events and testing in a timely manner using fliers, agenda labels, weekly grade level newsletters, school website, & PTO Facebook page.	Read your child's agenda each day, visit the Parent Portal as well as the school website, schedule and attend a conference each quarter.	Make sure your parent or guardian signs your agenda each day and return important papers to your teacher.
Learning Environment	Teachers will ensure their classroom environment is supportive and safe. Administration will make sure the campus is secure at all times and that all people on campus have checked in through the office.	Encourage your child to try their best each day, respect others, follow the rules, and ask an adult for help if needed. Bring your ID to check in through the office when coming onto the school campus.	Students will collaborate, participate, and show respect to teachers and classmates.
